FOR IMMEDIATE RELEASE:

The Foothills Fire Protection District along the I-70 and Colorado 74 corridors to the west of Golden and Morrison has been undertaking a search for its 1st full-time, paid Chief. At the December 15, 2009, Board meeting, the interview committee recommended two candidates to the Board, Patrick Reitz of Sheridan, Wyoming and John Kilpatrick of Golden, Colorado.

After discussion, the board voted to attempt to reach terms with Mr. Kilpatrick to become the Chief effective January 1, 2010, which discussions will commence as soon as practicable.

There had been previous discussion that public interviews for the finalists would likely occur, but at last night's meeting the Board voted to pursue a primary candidate without further interviews.
